Coleman Elks Mark Remembrance Day, Nov. 11 New Trustees 40th Anniversary

Coleman Elks Lodge marked two very special occasions October 23rd when the Grand Exalted Ruler of Canada, Adam Deminick of Manitoba, paid the Lodge a visit and the group marked its 40th anniversary.

A special banquet attended by 290 persons was held under the chairmanship of Past District Deputy Henry Zak.

Speakers at the event included Past Provincial President and Mrs. W. Naylor of Lethbridge, District Deputy Frank Lamey of Blairmore, Mrs. T. Michalsky, Honored Royal Lady of the Coleman OORP; District Deputy Supreme Honored Royal Lady of the OORP, Mrs. Ruby D'Estecheverry of Cranbrook, B. C., and Exalted Ruler of the Coleman Lodge No. 117, Robert Zak.

Grand Exalted Ruler Deminick congratulated the Coleman Lodge on the occasion of its 40th year birthday and gave an inspiring talk on Elksdom.

Chairman Henry Zak called on Jack Rushton, who has been a member for 40 years and has served the Lodge as secretary for 25 years, to cut the anniversary cake.

Past Exalted Ruler Mayo John Holyk then presented 20 year pins to J. Caroe, B. Fontana, G. Poulton, J. Kulig and Joe Malachuk. Not present were Orazio Celli, Rudolph Kwaskie and Joe Zak.

Exalted Ruler Bob Zak presented 30 year pins to Tony Servello of Fennie, W. Gates, Sam Sagoff and Frank Henret. Not in attendance were Henry Tibergien, John Smith, Martin Luisich and A. Cornez.

Grand Exalted Ruler Deminick presented the 40 year pins to Bert Bond, Steve Leshko, Bert Rushton. William Jenkins was not present.

District Deputy Frank Lamey presented a life membership to Jack Goulding. Not present were Mr. Cornez and Mike Hulculak.

An evening of dancing was then held to conclude the event.

FISH AND GAME PUSH FOR MORE FISH

Reports at the Coleman Fish and Game Association meeting indicate that there is a drastic reduction in the number of fish being caught in local streams this year.

That fish are becoming more and more scarce each year was also mentioned and it is believed that this is due to an increase in fishing population as many sportsmen from the cities and towns in Southern Alberta are fishing the local streams.

It was the opinion of the Association that more stocking of streams and ponds in the district would result in better fishing conditions.

The Coleman Club have advocated for some years that the season should be closed to fishing from April 1st to June 15th as this is the spawning period and this would tend to provide more and better fishing for the following season. Fishing is generally poor during this period of spawning.

The Coleman Club are soliciting the support of other Southern Alberta Clubs in this move. The Club

is also pressing for an increase in hatching outlets in the province with hope that consideration be given to building such an outlet in this area.

The Junior Forest Warden group have started their regular meetings for the winter season and the assistance of adults in this venture is needed.

Interested adults should contact the executive of the Fish and Game Association.

A trophy night is being planned for later this fall and members planning entries are asked to get the heads ready.

A vote of thanks was extended to member Ted Michalsky who provided a caterpillar tractor for the work of re-channelling the bottom end of Allison Creek. This work has now been completed by volunteer labor.

Grand Lodge Officer Visits Rebekah Lodge

Mrs. Geraldine Montalbetti, Worthy Matron of Minerva Chapter O.E.S., entertained the officers and members at a coffee party at her home on the evening of October 31, in honor of Mrs. Shirley Jones, a member who is leaving to reside at Brooks, Alberta.

A social evening was enjoyed after a dainty lunch was served by the hostess, assisted by Meadames P. Jenkins, I. Coover and F. Macleod.

Mrs. Montalbetti then presented Mrs. Jones with a gift on behalf of the chapter and voiced her regrets of the departure of a willing and helpful member, but wished her success and happiness in her new surroundings. Mrs. Jones was very ably thanked all and stated she had enjoyed residing in this area.

Emotional problems in the home getting you down? Arguments and differences of opinion that grow and grow? There's a free pamphlet entitled "Needlepoints", which discusses the everyday tensions in a woman's life, and how to handle them. Write to Canadian Mental Health Association, 618, Revillon Building, Edmonton.

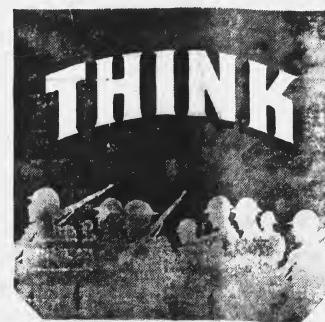

Mrs. Doris Allard of Edmonton, Grand Warden of the Rebekah Assembly of Alberta, paid her official visit to the Rebekah Lodge of the Pass, Victoria Rebekah of Coleman, Ray of Hope, Bellevue, and Crow View of Blairmore, on the evening of October 19.

Sister Godfrey, N.G., and Sister L. Boulton, District Deputy President of District 16, conducted the meeting with 51 members present.

At the close of the meeting lunch was served and a social hour was enjoyed. During this time Sister Boulton presented Sister Allard with a painting of Crows Nest Mountain (a work of art done by Mrs. E. Owen). Sister Allard very graciously thanked the members and showed her admiration, quoting it was a thoughtful gesture to be able to take a glimpse of the beautiful mountain scenery home with her.

Remembrance Day Parade Plans Are Finalized

Final plans for the Coleman Branch Royal Canadian Legion Remembrance Day Parade are completed.

The Parade will assemble in the Central School yard at 1 p.m.

Under the direction of Parade Marshal Norman Hammer, they will fall in at 1:15 p.m. and proceed west on Second street to McDonald's corner, south to First street to the Cenotaph where services will begin at 1:30 p.m. approximately.

Leading the Color Party will be S. Tarabula, B. Crippen and J. Stowinich. The Crows Nest Pass Band under the direction of bandmaster Frank Edi, will march, followed by the Veterans, Legion members, Cadets, Firing Party, Cubs, Scouts and Brownies.

Services at the Cenotaph will be in the capable hands of Mayor J. Holyk. Rev. P. Walker will officiate. Rev. Father Krewski will also attend.

Wreaths in memory of the Coleman boys who gave up their lives will be laid by loved ones, members of the Fraternal organizations and business places.

R. C. Army Cadets, under command of M. Venier, will form the firing party for these services.

Fred Beddington will be in charge of the flag in the Legion grounds.

Following the services a social hour will be held in the Legion Club rooms. The Cadets, Scouts, Cubs and Brownies will be served refreshments following the service.

The Parade will return to the school by the same route and dismiss before the social.

Blood Clinic Well Attended

A record attendance of 206 Crows Nest Pass persons turned out for the Red Cross Blood Donors Clinic October 20th to go well over the quota figure of 180 bottles set for the area.

Chairman of the campaign, Mrs. Anna Fabro, said that a total of 195 bottles were realized by the Clinic and that of the 206 that turned out 11 were rejected.

The Association has extended thanks to the Crows Nest Pass Nurses Association, the Hospital Auxiliary, the hospital staff, six Blairmore high school boys and a number of ladies who aided with registrations and also to the news media for their assistance.

The Clinic was held at the Crows Nest Pass Municipal Hospital during the afternoon and evening.

Raymond Herrel of Coleman, a 74-time donor, was the first to give blood at the Clinic.

House Warming Is Held

A number of friends gathered at the home of Mr. and Mrs. Ed Ledieu on Thursday evening, October 28th.

Whist was the entertainment of the evening, with honors going to Mrs. M. Holstead.

A delicious lunch was served and a social hour was enjoyed.

Mrs. M. Godfrey, on behalf of the friends assembled, presented Mrs. Ledieu with a gift, for which she very ably thanked her neighbors for the kind gesture.

Coleman Elks Mark Remembrance Day, Nov. 11 New Trustees 40th Anniversary

The new trustees elected to the School Board this month took the oath of office at the board meeting this week.

Incoming John Salus was re-appointed as board chairman, and Mrs. Helen Neddo was welcomed to the board.

Vice-chairman will be Steve Mraz, and the committee appointed by Mr. Salus are as follows:

(with the first name as chairman)

Finance, Steve Mraz and Mrs. Helen Neddo; Works and Property, James A. Park and William Skura; Fire, William Skura and James Park.

Physical education instructor, Frank Capron, requested that the board give consideration to the construction of a field track so that track and field events could be held.

The board agreed to pay the basketball league fee so that the Coleman team could participate in the league, which will include teams from Blairmore, Lundbreck and Pincher Creek.

Correspondence from the town of Coleman was received by the board to the effect that the town was presently in no financial position to build a covering over the steps east of the Horace Allen school grounds that lead to the underpass where school students travel to and from school to avoid

crossing Highway 3.

A letter was received from the Fire Commissioner's office making a number of recommendations — The recommendations will be carried out by the board.

Approval was granted to the Coleman Badminton Club to use the Horace Allen auditorium any night of the week except Fridays and Sundays.

Principal Horace Allen's report showed that the September total enrollment was 668 students with an average attendance of 95.56 per cent. The average is slightly down due to a recent mild epidemic of measles. The report also indicated that a Bell speaker system is being installed in the Central school and will be in operation in the near future.

The matter of Coleman delegates attending the School Trustees' convention to be held in Edmonton, November 28 to 30, was left in abeyance.

Mrs. P. Thompson was granted a leave of absence until next term. She has been replaced by Mrs. Joyce Brown of Blairmore.

Donald Oliva has been placed on the substitute teacher list.

COLEMAN MINER DIES IN MINE MISHAP

John Churila, Coleman miner, was killed instantly in a mine mishap at around 5:30 p.m. Thursday, October 28th, at the Vicary Creek mine of Coleman Collieries.

Churila, an experienced coal miner, was working with his partner, Mike Ryzar, in the 35 pillar section of the mine.

Reports indicate that Churila was digging coal at the face and was undermining the coal when some top coal fell, striking him. His partner and two other miners, who were working about 70 feet away, recovered Churila from under the fall of coal in a matter of a few minutes.

I. N. Potter, district inspector of mines, from Lethbridge, will investigate the accident.

An inquest will be held.

Mr. Churila, age 50, was born in Coleman December 27, 1915. He is survived by a brother, Edward Churila, sr., of Coleman; five sis-

ters, Helen of Coleman, Mrs. M. (Carrie) Pen of Cadomin, Mrs. J. (Adella) Kateruk of Natal, Mrs. Bob (Victoria) Parnell of Edmonton, and Mrs. Fred (Annie) Belvelaga of Vancouver.

Fanini's Hillside Chapel was in charge of funeral arrangements.

Little Damage At Fire

Coleman Volunteer Fire Brigade made short work of a chimney fire that started in the home of Mrs. Rose Coccilione on Second St., Coleman, at 10 a.m. Monday. Very little damage is reported to the frame home.

Mrs. Hill Passes In England

Mrs. Alice Hill, a former Coleman resident, died at her home in Lancashire, England, on October 17th. Funeral service was held on October 21st.

Mrs. Hill, 90, was born November 5, 1875. She came to Canada in 1919, settling in Lethbridge, where she lived for a few years before moving to Fernie.

After a short stay in Fernie she moved to Coleman, where she remained until 1960 when she returned to her homeland to live with a daughter.

She was predeceased by her first husband, Robert Hubert in Coleman in 1942, and by her second husband, Ernest Hill in Coleman, in 1959.

She was a member of the Lethbridge Loyal Order of the Ladies of the Moose, which she joined in 1920, and retained her membership. She was a member of the Coleman Old Age Pensioners Association.

She is survived by one daughter, Mrs. J. (Nora) Gouling of Coleman; four grandchildren and seven great-grandchildren.

Employment Picture For Pass Bright

Terry Robertson, manager of the National Employment Office in Blairmore, said today that the employment picture for the Crows Nest Pass is very bright.

Despite a shortage of skilled labor in the area, employment opportunities are expected to continue to rise during the coming months.

Operating coal mines are working on a full time basis and plans for future expansion of the industry are very encouraging. NES reports there are no unemployed coal miners in the area.

The lumbering industry has been operating on a full time basis and the NES is continually seeking experienced workers to fill vacant positions.

Mr. Robertson stated that seven new businesses, employing about 100 people, have located in the Pass between Fernie and Bellevue during the past year and indications are evident that other industry is viewing the area with interest.

The construction industry is maintaining a good pace with new sewage installations progressing in Coleman and Blairmore. Fernie officials report an extension of their sewer system is well underway.

Harvesting was delayed by unusually wet weather. However, the recent spell of good weather enabled nearly all farmers to harvest crops although some deterioration was reported.

The NES officer stated the outlook is very encouraging. There is a good demand for all types of skilled labor and experienced heavy equipment operators.

C.W.N.A. Convention At Lethbridge

LETHBRIDGE, Oct. 23 — H. George Meyer, 36-year-old co-publisher and sports editor of The Cariboo Canadian, was today elected president of the Alberta Weekly Newspapers Association at the close of its 62nd annual convention here.

Meyer, a member of the executive since 1959, succeeds Ron Newsom of the Bashaw Star.

The Cariboo publisher began his newspaper career as a printer's apprentice in Nanton, Alberta, and worked at Swift Current, Taber and on The Lethbridge Herald for some years before becoming joint publisher of The Nation News.

In 1969 he moved to Cariboo as co-publisher with Ken Petrie, former Canadian Weekly Newspaper Association president, and Charles MacLean. He is a former Nanton Town Councillor and now serves as Centennial Director for the City of Cariboo, a vice-president of the Cariboo Chamber of Commerce and is a well known member of the Cariboo Club.

Elected first vice-president is Tom Ford of The Lacombe Globe. Second vice-president is Lou Drouin, St. Paul Journal.

Other officers: past president, Ron Newsom, Bashaw Star; secretary, John MacDonald, Westlock News; treasurer, Jack Parry, Rimsky Record; directors: Ace Eastley, Sedgewick Community Press; Bob Munro, Vulcan Advocate; Hec MacLean, Fairview Post, and Ashley Cooper, Vermilion Standard.

In a 20-mile race a man would win over a horse because of his endurance.

Farewell Party For Julie Thibert

Mrs. Julie Thibert was honored at a farewell party held in the Catholic hall October 21st by the Catholic Women's League.

Mrs. Thibert will leave Coleman this month to make her home at Revelstoke.

The head table was centred with a gaily decorated cake bearing the inscription "Good Luck, Julie".

President of the CWL, Mrs. Lorraine Aiello, on behalf of the League presented the guest with an evening bag for which Mrs. Thibert ably expressed her appreciation.

Bingo and whist was then held with card prizes won by Mrs. Mary Rejman, Sofie Barata and Mrs. Celia Brown.

Bingo winners were Mrs. A. Fekete, Mrs. Minnie LaCroix, Mrs. J. Machajewski and Mrs. R. Kulig. A sing-song also was held.

K. C.'s Install New State

Installation ceremonies of the new slate of officers to head St. Joseph the Worker Council of the Knights of Columbus, was held on Sunday evening, October 24th.

District Deputy John Bindra of Coleman, assisted by Warden Emil Scheuerle and Honor Guard Joe Kuyper of Pincher Creek, and Guards Matt Vastenhouw of Bellevue and Tom Dowson of Hillcrest.

The new slate comprises:

Chaplain, Rev. W. Krewski, of Coleman; Lecturer, Rev. P. A. Tessier of Blairmore; the Grand Knight, Francis Canale of Blairmore; Deputy Grand Knight, Gordon McNeil of Hillcrest; Recorder, Eric Price of Blairmore; Financial Secretary, John Aliberti of Blairmore.

Advocate, John Yanota of Blairmore; Warden, Archie Hobson of Blairmore; Chancellor, Tino Caetano of Blairmore; Treasurer, John Sikora of Coleman; Inner Guard, John Kinnear of Coleman; Outer Guard, Ray Wallinder of Hillcrest; Trustees: Leslie Owen and Trevor Collister of Coleman, and John A. Lloyd, Blairmore.

Lecturer Rev. Tessier spoke on the changes in the Liturgy of the Church and Chaplain Rev. Krewski spoke on the value of private personal prayer to the individual.

Best wishes for a speedy recovery are to be sent to Rev. D. Andrew of Bellevue, who was seriously injured recently in a motor vehicle accident near Pincher Creek. Father Andrews is in a Lethbridge hospital.

Guests were present at the meeting from Pincher Creek, and Past District Deputy Joe Jordan and some members from Macleod were also present.

The attendance prize was won by Brother Trevor Collister and the tie clip and cuff link set draw was won by Donald Shannon, of Blairmore.

Miscellaneous Shower Honors Recent Bride

A miscellaneous shower was held on the evening of October 19th in honor of Mrs. Wintermute (nee Marion Ash) in the Coleman Elks Hall. Eighty guests were in attendance.

On entering the hall the honored guest was escorted to the head table by Mrs. M. Fabro, Mrs. H. Ash, mother of the bride, and Mrs. E. Raymond, grandmother, were escorted by Mrs. V. Wavre and Mrs. M. Fleming.

The three honored guests were presented with corsages of pink carnations. During this ceremony Mrs. J. Spievak presided at the piano, playing the "Wedding March" and appropriate music.

Whist was the evening's entertainment with honors going to:

First, Marlene Korman, second, Vera Feroglio, and third to Marie Mascherine. The door prize went to Mrs. Helen Dancoigne.

A delicious lunch was served after which the honored guest, Mrs. Wintermute was presented with many beautiful and useful gifts, for which she very ably thanked all those present and those unable to attend for their kind wishes and beautiful gifts, with a special thanks to the hostesses for making this memorable event possible.

Mental illness seldom kills, but it cripples more people than all the well known physical diseases put together. But hope for the mentally ill is now higher than it has ever been. The thrilling story of how Research is finding the answer to the riddle of the ages is told in a free pamphlet entitled, "The Quiet Disaster", available from the Canadian Mental Health Association, 618 Revillon Building, Edmonton.

VOTE FOR The Man Who Gets Things Done

Dr. Lawrence E. Kindt, M.P., is a member of a pioneer family and grew up on a farm at Nanton, Alberta, where he attended school and became active in farm group meetings. He organized and was the first President of the Junior Branch of the United Farmers of Alberta. He is a graduate of the Claresholm School of Agriculture, the University of Alberta (B.Sc. in Agriculture), the University of Minnesota (M.A.—Agricultural Economics and Business Administration), Graduate Work at Washington, D.C., where he specialized in General Industrial Economics and Natural Resources for the degree of Doctor of Philosophy (Ph.D.).

His work with industry and agriculture on the government level as well as on the practical farm level, gives him a knowledge and ability that has been of great service to the residents of the Macleod Riding as well as for individuals with problems.

His economic training and experience have been invaluable on various committees of the House of Commons during the past seven years since he has been the Member representing Macleod Constituency in Ottawa. He is a man with the ability to make decisions on economic matters to improve the general welfare of the people. He will be remembered by the people of the Crows Nest Pass for bringing about shipments of coal to Japan, which is a direct result of his effort. He is also the person who should receive the major credit for the establishment of the National Energy Board which has enabled Canada to move with assurance on the export of gas and oil. The work of the Board has cleared the way for the building of the Shell Plant south of Pincher Creek and the Plant west of Coleman. The old airports at Fort Macleod, Vulcan and Claresholm became surplus to the needs of the federal government and under a plan worked out by Dr. Kindt and others, have been sold to the Town of Fort Macleod, County of Vulcan, Municipal District of Willow Creek and the Town of Claresholm for industrial development and other uses. All of these centres have had several new industries added to their area because of the splendid opportunities for industrial development at these old airports. This work, sponsored by Dr. Kindt, has greatly helped the communities served by these new industries. He requested P.P.R.A. to study Water Development along the Eastern slope of the Rockies, which led to the Waterton Lakes Dam Development Project and the Chain Lakes Water Development project.

Dr. Kindt operated his own Economic Consulting Firm for Western Canada with offices at Calgary, prior to becoming a Member of Parliament. He is married and lives on his farm at Nanton, Alberta.

Who Is God?

Gordon Sinclair, TV panelist, answers comments about God by

asking, "Which God do you mean? The Hindu God? The Buddhist God?" That elderly critic of organized religion is about 25 years behind the times. So are many people who seldom attend church.

There is only one God, and Jesus Christ is His Son. Mohammed, Buddha, Confucius, and all the others who have mankind some understanding of religion, worship the same God.

God is a symbol of what man is striving for in the spiritual world. When we use the word "God", we are speaking of the highest value by the lives we live. To know God is to seek truth. To love God is to love your neighbor, even if he happens to be 25 years behind the times.

on who you are. Your God is whatever might be the most desirable good in your life.

Because many Christians are child-like, they remember Jesus taught us to call God "Father". That figure of speech is still used to express a personal friendship between God and those who seek Him.

God, the supreme good in our lives, makes Himself known to all men. We give evidence of this not only by the creeds we quote but by the lives we live. To know God is to seek truth. To love God is to

love your neighbor, even if he happens to be 25 years behind the times.

OF MANY THINGS
(By Ambrose Hills)**The Technique of Getting Things Done**

If you are a potential lazy-bones, as I am, you will be interested in this new book which devotes itself to solving the problem.

Donald A. Laird, a noted psychologist, thinks we all have a streak of laziness. He has spent a great part of his life studying techniques we can use to overcome it. I've been testing some of them. They help.

He starts from the premise that it isn't how much you know but what you get done that the world rewards and remembers. You decide what rewards you would like, and why you would wish to be remembered; then start to get things done which will lead to that end. Your biggest stumbling block will be weakness in getting things done. There are methods of beating that weakness.

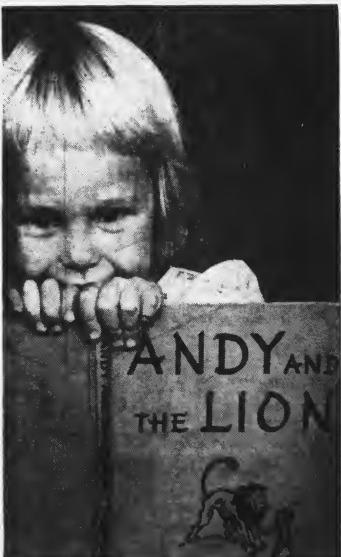

You have a head start if your childhood wasn't too easy; if you had routine chores to do and took them for granted. Getting things done is partly a matter of habit. You have learned to produce at least as much as you consume. In modern society you may be able to get by without doing your share, but you still cannot win the really big rewards.

If you want big rewards, you start today to get things done. Make a list of what you ought to get done tomorrow — and get part of it done this very day. Tackle the toughest one first. Get rid of that job that has been nagging you by tackling it and getting it done.

Are you disappointed? Did you expect some secret knack for beating your laziness? I read the book eagerly, hoping for some such secret. There wasn't any. You simply start doing essential things. You know that they have to be done sometime. So you start now. If you want to win those rewards, you go from the first one to the next one without a long breather in between.

Laird recommends that you read some biographies of the greats. You will then see why they became great. It wasn't luck. It often wasn't brains. Certainly it wasn't health because many of the greats were feeble and wracked with pain most of their lives. They discovered that the only technique for getting things done was to do them.

Simple, isn't it?

Place a Book In The Hands of Your Child

Five-year-old Colleen Smith is a lucky child. She has a book and she loves it. So?

Too many children live in homes where books are not considered important; some with no books at all. The result can be utterly tragic in terms of unfulfilled minds, school drop-outs, human failures.

This month Canada's vast Home and School movement launches a \$50,000 public information campaign to combat the problem. The objective: to reach every parent over the next two years with urgent messages about the profound importance of books in the growth of their children.

It's just one part of a Centennial project made possible with donations pledged by the greater number of Canada's 3800 local Home and School associations; donations from outside groups and individuals have been received and are most welcome.

ALBERTA JUNIOR CITIZEN OF THE YEAR BULLETIN:

CHIP LAKE GIRL WINS SPECIAL AWARD

Doris Pollard of Chip Lake is too young to be named a Junior Citizen of the Year. She is only four years old. Yet this tiny girl rescued her two brothers and baby sister when fire destroyed their home!

On December 22, 1964 Doris was in the house playing with her two little brothers. Mrs. Pollard had to accompany the veterinarian to the barn to look at some sick animals.

Suddenly there was a terrific bang — sparks from the stove were everywhere. Doris hurried her two young brothers outside — then she went back into the burning house and carried out her baby sister Sharon. Doris is like any other little

girl of her age, but on that fateful day last December, she acted like a mature adult!

We congratulate Doris on winning this Special Award. Our thanks to Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizen of the Year program, sponsored by Alberta's investor-owned electric utility companies.

This is a Special Award announcement made in connection with the Junior Citizen of the Year program. Our special thanks to Ronald B. Smith, Editor of the Western Review and to Doris' nominator, Mrs. M. Bruner of Wildwood.

**Liberal Candidate
Visits Pass Area**

During an interview while campaigning in the Crows Nest Pass, Bill Matheson, newsman and ex-paratrooper, expressed satisfaction and pleasure at the satisfactory economic and employment picture in the Pass area.

(A direct result of the government tax incentive policy," was his comment. He also was emphatic in stating that he felt credit should be given where credit is due.

due.

He challenged Dr. Kindt to place in writing anything that he or his party had done for the Pass area.

The chances of either the NDP or Social Credit parties forming the next government was dismissed as impossible by Mr. Matheson. The chances of either of these parties doing anything useful for the Pass area is very remote.

**Industrial Workshop
Program Arranged
For Nov. 10**

The role of economic research in industrial promotion and expansion in Southern Alberta will be examined at an Industrial Development Workshop sponsored by the Calgary Chamber of Commerce to be held in the Palliser Hotel, November 10th. The detailed program has now been arranged and Southern Alberta Chambers of Commerce and other interested groups of individuals are being notified.

The special luncheon speaker will be Donald R. Gordon, M.A., Associate Professor of Political Science, University of Alberta Calgary. His subject will be "The Election and Canadian Industry".

The afternoon panel discussion will deal with "Economic Research and other studies leading up to completion of a master plan with emphasis on business and industrial development programs". It will be moderated by J. Ivor Strong, Calgary's Chief Commissioner, and panelists will include

A. G. Martin, Director of City Planning, and K. S. Ford, Industrial Co-ordinator.

The morning session, starting at 10 a.m. following registration, will deal with the Federal Department of Industry Program for the Advancement of Industry Technology.

Panelists will be Hugh C. Douglas, Senior Industrial Research Officer, Department of Industry, Ottawa; W. Mackenzie Hall, Manager of Alberta Office of the Federal Department of Trade and Commerce, Edmonton, and Roy Compston, Alberta Manager for the Canadian Manufacturers Association, Edmonton.

Chairman of the day-long event will be Eric Connally, Vice-president of the Calgary Chamber of Commerce.

**Powers Of
Arrest**by A. E. Bridges,
Fire Commissioner.
As Fire Commissioner I can only view with alarm the fact that fire in Alberta during 1964 cost \$112-million in property and 71 people lost their lives.

Many fire victims paid the penalty because they ignored or were, for a few moments, careless of the power of fire. Some died ignorant of the fact that they themselves had set up the conditions leading to their untimely deaths. Others, particularly children, were caught in a web of circumstances not of their own making.

One cannot escape court action if one is careless while driving a motor vehicle on the highway, but if through carelessness one causes a fire — there is no penalty on the statutes. Yet accidental fires are far more costly and proportionately just as dangerous.

In Fire Prevention there are many "arrests" to be made. The trend of repeated fire accidents must be "arrested", the muddled

unconscious actions that bring about fire deaths must be "arrested". Our powers of "arrest" must extend to citizens who are inclined to smoke in bed, who take a chance on home dry cleaning, who quicken a fire with flammable liquids, who leave small children alone. They must be "arrested" in the act of doing what is dangerous to themselves and others; stopped in their tracks by the thought provoking consequences of such potentially deadly actions.

We ought now to look again at our programmes of public information and, if necessary, by repeating the gruesome facts of waste and suffering caused by fire, frighten our citizens into a greater respect for it. Any method is preferable to letting them learn from bitter experience.

There can be no slackness of our best efforts to have buildings so constructed and fire protection equipped that fire danger is confined and minimised. If we cannot protect the careless offender, at least we must do all we can to protect those whose lives he places in jeopardy.

We are constantly seeking a breakthrough in the matter of personal responsibility in preventing fires. If this trend is not soon evident, and fire losses continue to rise, perhaps laws to provide penalties for carelessly causing fires are needed. It is to be hoped that the people of Alberta will realize what a lethal and costly criminal fire is, and use more effectively their own "powers of arrest".

Newspapers call for conservation of natural resources, let's tab on Members of Parliament and Legislation and take readers to the heart of a new story in the making.

The Hon. E. C. Manning, Premier of Alberta

"Personal freedom should not be jeopardized in the interests of a political party."

Today we face a crisis. We must forego traditional political procedures and give precedence to a position dictated by the national interest. We must choose men of moral quality and ability, motivated men and women with the courage and energy required to take up the challenge of government.

"Where can we find such men?" Look to Alberta and the success story of Social Credit in this Province. Here are men of sincerity, integrity and ability—men who believe in personal freedom, economic freedom and security.

You have the choice on November 8th. Elect your Social Credit candidate, and give Alberta voice in Ottawa.

NOVEMBER 6th - 12th

The CBC News Service is marshaling its full resources to bring Canadians the fastest and most thorough returns possible on election night, Monday, November 8. Reporting of results will start on both radio and television when the polls close at 7 p.m. in the various zones, and will continue until the overall result is known.

CBC TV News has organized reporting teams at six regional centres to collect results from all 265 constituencies across the country. There will also be reports from the five party leaders and from the respective headquarters of major political parties in Ottawa.

For campaign and election night coverage on TV, James M. Minifie is up from Washington to cover the Quebec scene; Peter Reilly has returned from UN headquarters in New York to report on Ontario; Kingsley Brown is in the Maritime provinces, with assistance from Doug Brophy in Newfoundland; Ken Mason is reporting from the Prairies, and Harry Nutall is covering the Pacific region.

Anchoring election night coverage at Election Central in TV studio 7 in Toronto will be Norman DePoe, Knowlton Nash, and Bruce Marsh, assisted by the noted political analyst, Peter Regenstrief, who will analyze and assess the voting trends revealed by the IBM 144 computer — the most ambitious data communications system yet designed by IBM for CBC election coverage.

Television reporting of results will consist of 20-minute national segments each half hour, followed by 10-minute detailed local and regional coverage by individual stations on the network.

The Canadian football season is entering its most crucial period. The Edmonton Eskimos and B.C. Lions have been eliminated from further competition in the West. This year a single game sudden-death semi-final will eliminate another team.

At this writing it appears that the semi-final will pit the Saskatchewan Roughriders versus the Winnipeg Blue Bombers (unless Winnipeg can sneak into first place on the basis of two Calgary defeats in their remaining games). It's still uncertain whether the semi-final, if in Winnipeg, will be played Saturday or Sunday afternoon, but in either case it will be carried on the CBC Television network.

On November 29th, 1963 TCA flight 331 from Montreal to Toronto crashed shortly after take-off, killing all 118 persons on board. Sunday at 10 p.m. Document will study the results of the two-year investigation, the most complex investigation of an air crash in Canadian aeronautical history. The Document program is entitled "At the Moment of Impact".

One of Festival's most highly-praised productions "Let Me Count The Ways", originally telecast last April will be repeated Wednesday at 9:30 p.m. It stars Teresa Wright and James Daly. Following the death of his wife, Chris Hager (James Daly) returns to his university laboratory. Confused and embittered, he relives the past in a desperate search for an understanding of his married relationship.

A new slate of officers to head the Coleman BPOE No. 117 will be installed to office on November 27th. District Deputy Past Exalted Ruler Frank Lamey of Blairmore will conduct the ceremonies. The slate for the coming year will comprise:

Past Exalted Ruler, Robert Zak
Exalted Ruler, Norman Hammer
Leading Knight, Mel Cornell
Loyal Knight, Sue Lozza
Lecturing Knight, Peter Meronuk.

Secretary, Jack Rushion, Treasurer, Rudy Yeliga, Director, Mel Taje, Historian, Russell Montebetti, Chaplain, Tom Bubnik, Esquire, Les Owen, Inner Guard, Don Filafilo, Tyler, Paul Filewych, Three year Trustee, Steve Kryzwyk, Two year Trustees, Harold Nelson and Dick Tiffin.
